

Adapto Global SCANNER SETUP GUIDE

Welcome to Adapto Global 3D scanning

STEP 1: Setting up an account

To start scanning you need an account. To get an account please send an e-mail ncr@adapto.global with the following information:

Company name:

First Name:

Last Name:

E-mail:

Phone Number:

Street Address:

City:

Country:

State:

Zip code:

While we set up your account, please download the Adapto Technology app (Adapto 3D scan) from the Apple App Store. Use the QR code below to access it quickly.

The app can be used with iPhone 11 to 16.

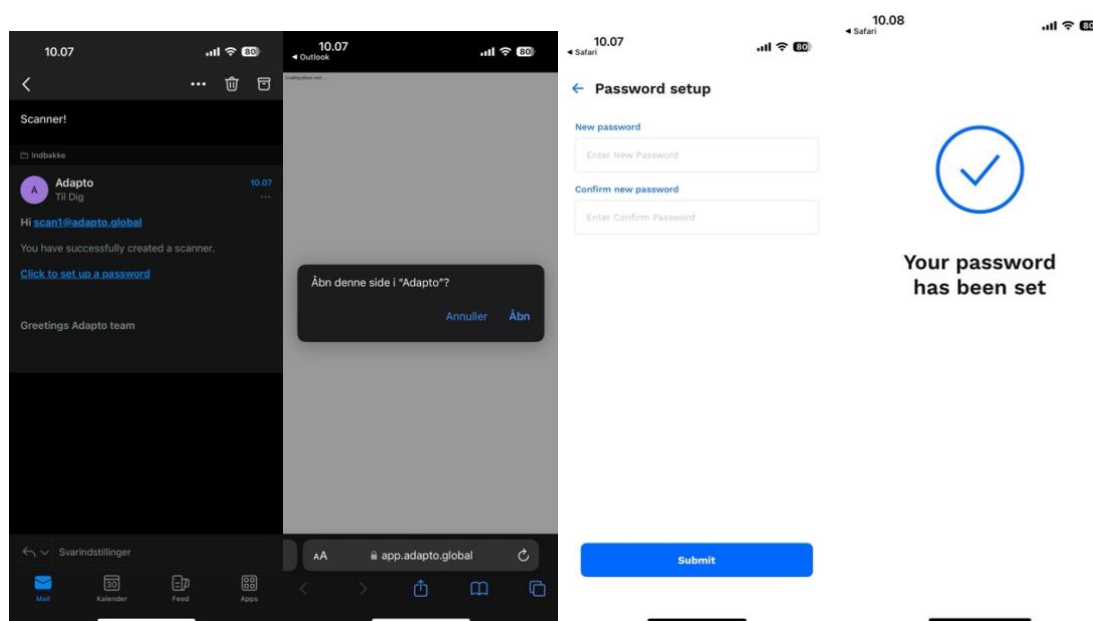

STEP 2: Getting ready to scan

You'll receive an e-mail from Adapto Global when we have setup your account.

This e-mail must be opened on the iPhone where you have installed the app.

Follow guide to be registered as a scanner.

Remember to check the spam filter to find the invitation.

STEP 3: Start scanning

Now you're ready to scan

Please read the **Adapto Global HOW TO SCAN GUIDE**

All information is stored according to applicable GDPR regulations.

For more information, please see the app under "Profile" and "Privacy Policy."

Good luck with your future scans, and welcome to the network.

If you have any questions, please contact us on: ncr@adapto-global
